

Race Director Questionnaire

1. What is the name of your event? _____
2. What is the address where the event be held? _____
3. What time does the race/races start? _____
4. What is the earliest that the event facilities will be open? _____
5. Please provide a map of the race day event layout. Be sure to note the locations of registration, the starting line and finish line?
6. How many runners? _____
7. Will you have race day registration? _____
8. Do you want the starting time determined by when the runners crosses the starting line?
_____ (Chip Start) Not recommended for smaller races. This may not be possible in races where the start and finish are not at the same spot. YRRC Timing currently has a 15ft starting line width limitation for a Chip Start.
9. Will awards be calculated by Gun Time? _____ Gun Time is the time from when the gun goes off to when a runner crosses the finish line. It includes the time from the when the gun goes off to when the runner crosses the start line. It is recommended that all awards be determined by Gun Time.
10. Will you have any special bib number ranges? _____ If yes please specify
11. Please provide in a separate document the divisions (5k, 10k, Clydesdale...) along with the age group categories that will be awarded. Please indicate the number of overall and masters positions awarded.
12. Can overall and master's positions also place in their respective age groups?

13. Will you be using the YRRC online registration? _____
14. Will you be using the YRRC chip timing real-time unofficial web results? _____
