

Dear Karen, Erin, and the entire York Road Runners crew,

You all are definitely what "they" (and I) refer to as "good people." The passion you bring to the White Rose Run as a vehicle to benefit charitable organizations in our community is seen and appreciated. As is, of course, the gesture of selecting Bell as the beneficiary of the run again in 2023!

You're aware, I know, of the challenges and stigma faced by people who are often perceived to be on the margins of society. You get it that meeting folks where they are and seeing them not as "other," but as individuals worthy of respect, can make a big difference as they take steps to improve their quality of living.

Bell Socialization Services is here to provide an environment of support where our York County neighbors may thrive, and thanks to people like YOU standing beside us, we all can move closer to our vision of a *community where people are valued and respected and live with dignity.*

THANK YOU for believing in the worth of ALL in our shared community, and your trust in Bell to do this vital work.

Best regards,

*Averie*

*and a very Happy New Year!*
